In the 2014/2015 College Performance Contract, the College identified and committed itself to developing self instructional materials in print and e-Learning forms in preparation for launching the following Flagship Projects through CODL in collaboration with the respective Schools as shown below:

1. Master of Science in Climate change in collaboration with School of Physical Science,
2. Master of Science in Pharmacology and Toxicology in collaboration with Faculty of veterinary Medicine,
3. Postgraduate Diploma/Master of Science in Energy Management in collaboration with School of Engineering,
4. Bachelor of Education in Early Childhood in collaboration with School of Education.

The 2015/2016 focused on finalizing the self-instructional materials, conversion and uploading in e-Learning and launching the programmes by distance and e-Learning modes as a contribution to capacity building for the fulfillment of the Vision 2030 objectives under the Social Pillar.

Towards this end, the College will be launching these Flagship Projects on Thursday 23rd June, 2016 from 9.00 a.m in the Education Theatre II at the College of Humanities and Social Sciences, Main Campus.

Location/Venue: EDUCATION THEATRE I, CHSS, MAIN CAMPUS

Contact Person: DIRECTOR, CODL
